

# **BOARDING AT PTC**

Board rate is 13.00 per day in advance each month. See our website for a look at our facility.

We feed our horses twice a day.

Pasture horses are fed and checked on at least twice a day.

All horses have a stall for inclement weather.

Your horse will be stalled if you so desire, but it must be worked or turned out. If you are unable to do so, please let us know and we will turn your horse out for you at no additional charge. Working the horse is an additional 15.00 per day.

We offer indoor riding, outside arena riding, and 130 acres of trails.

Monies are due monthly in advance, on the 1st of each month.

Horses are required to be inoculated at least once a year, they can be done with our vet. If you prefer to use your own vet you must meet them here and we must be provided with proof of inoculations.

We worm monthly at an additional charge of \$10 - \$16 per month. If you worm your own horse, you must let PTC know what and when you have wormed your horse for record keeping.

Hoof trimming and shoes can be set up with our farrier, Ranse Miller. If you set up your own farrier you must meet him here and take care of the appointment.

Any grooming, administering meds, added supplements, blanketing can be done at an additional fee to be determined with what you need.

We provide fans for stalled horses in the summer for no additional charge.

We are closed to the general public on Sundays but we are open from 1 – 6 in the winter and 1 – 8 in the summer for our boarders only.

We require a written release for riding your horse and if you allow anyone else to ride your horses. We must receive this release in advance. We do not allow other people to ride your horse unless we have previous written permission.
